An odourless, waterless toilet

Cinderella Urinal

An odourless, waterless toilet

- Unisex model - for both men and women
- Hygienic
- 3 year warranty

$ 600

About the product

Cinderella Urinal is a waterless toilet solution specifically designed for urination. It is a perfect companion to Cinderella incineration toilets. The urine is discharged to a suitable receptacle such as a sand filter or a collection tank. The urinal is waterless and 100% odourless.

Cinderella Urinal is easy to install, and you can choose whether to run the drain pipe through the floor or wall. It uses a 50 mm drain pipe to a suitable receptacle. The urinal is mounted using screws or silicone. When Cinderella Urinal is mounted and the drain pipes are connected, the toilet is ready for use.

Cinderella Urinal is a unisex model and is only used for urination. Cinderella Urinal is equipped with an odour barrier, preventing undesirable odours inside the toilet room. The solution does not require a barrier liquid, and is therefore always frostproof.

other environmentally friendly incineration toilets – our advanced Comfort and our propane-powered Gas. Remember that 4 out of 5 toilet visits are usually only urination. Combining the urinal and the incineration toilet reduces both your power or gas consumption and your consumption of bowl liners.
